Message from Allan Peters – Chairman

Your responses to The Parish Plan indicated that over 40 of you thought a First Responder Scheme to support SW Ambulance was a good idea for the village and that you would be willing to participate as a volunteer. Your wish is our command so the process is underway. Now we need your name and telephone number to prove we can produce the best First Responder Team in the county. Contact any councillor as soon as you like and leave your contact details. It cannot work without you and the more there are the easier it is.

For all the latest news – please visit the website www.hazelburybryan.com or contact the webmaster hwebmaster@btinternet.co.uk

Allotments

The allotments are looking very good with lots of produce being grown. Would you like the Council to plant a Community Orchard in The Keep? Please let us know.

The Parish Plan

The final changes are being made to the document which records the opinions expressed in the questionnaire and identifies the actions required to address the issues identified.

Public meeting

Everyone is warmly invited to a public meeting on Tuesday 28th September in the village hall at 19:30.

The Parish Plan Steering Committee will present the contents of the plan and there will be drinks and canapés for all attendees.

A printed copy of the plan will be available for each household to take home and keep.

We look forward to seeing you there!

Website

The Parish Council have purchased some very good software to provide a calendar of all events in Hazelbury Bryan. Details of all planned village events should be sent to the Webmaster for publication to avoid diary clashes. hbwebmaster@btinternet.com

We have not finalised the choice of Junior Webmaster so if you are under 18 and would like to get involved please contact the webmaster.

Emergency Services

The Defibrillator is for use by anyone in need will be kept at The Antelope. If you would like training and missed the sessions in August please contact the Clerk.

The Air Ambulance costs £3800 per day to run. Please help to raise funds for this essential service by using the clothing bank at Woodrow Feeds.

Care in the Community

As a result of the excellent response to the message from the Chairman in the June newsletter, a 10 strong group has been set up to look at the options of providing a wide range of both paid and voluntary care based in the village. This will include but not be limited to:

- a) Local nursing and care help for our sick and elderly
- b) Support for those caring for family members
- c) Befriending people living alone
- d) Transport for those needing help

If you need help or can offer any of these services, even in a very small way, please contact either the Chairman or the Clerk.

Footpaths

Are you a walker, dog walker or do you walk your children to school? If so would you like to become involved with the upkeep and maintenance of our local footpaths?

We are looking for people who would be willing to carry out some footpath clearance and maintenance on an occasional basis to join our small group of volunteers.

The work is likely to involve such things as grass cutting, hedge trimming and possibly an occasional bit of more energetic clearance!

To volunteer, or for more information contact Dave Roberts 817252 (evenings and weekends) / dave.roberts@hazelburybryan.com

New Club

A book club / reading group has been established as a result of demand identified in the Parish Plan questionnaire. If you would like to know more please contact the Clerk.

Advent calendar

It has been proposed that the village attempts to lay on an activity everyday in December. If you have any ideas and/or would like to be involved please contact the Clerk.
